Notice

Dear Students,

This is to inform you that all the project groups of 1st Semester of BSc. and BCA (2025-AB) are required to submit their **Project Synopsis** on basis of allotted project of C- programming and Python-programming respectively for approval of the Academic Council.

Important Instructions:

1. Submission Deadline: The project synopsis must be submitted to the Project Co-ordinator by **dt.30.01.2026**.
2. Synopsis Guidelines: The synopsis should clearly outline the objective, scope, methodology and expected outcomes of the project.
3. Approval Process: Once your project synopsis is submitted, this will be reviewed and approved by the Academic Council. You will receive further instructions on how to proceed with your project once approval is granted.
4. Commencement of Project Work: After receiving approval, students are allowed to start working on their respective projects.

Thank you for your cooperation.
